

<http://fowpf5.wixsite.com/fowpf>

In the interest of **safety**, FOWPF (Friends of Wheelock Playing Fields), are asking all local residents and their visitors to **consider** a self imposed traffic flow around the Wheelock playing Fields.

We can't do anything to enforce this flow, but with your co-operation, we can make access on and off the field safer for all. Many thanks for your co-operation.
